## **DISTRIBUTION TABLES**

### **Organization/Miscellaneous Notes**

**Organization**

Appendix C consists of seven distribution tables. These tables specify the distribution of many trial court revenues. While a few tables have specialized additional columns, the basic organization and the definition of terms used in the tables are as follows.

## Code Section

The distribution code section with descriptive title.

## Violation/Situation

The codes under which the conviction occurred (unless the same as the distribution code) and/or a description of the situation that results in the charge.

## Distribution

The entity or entities to which the collection is distributed (State, county, city, other agency, or victim) and the percentages and/or conditions for the distribution.

## Applicable Fund

Fund specified in the statute. "Not specified" means no fund is specified in the statute. The county general fund would be the fund generally used in these cases.

## Fund Use

Use of funds as specified in the statute. "Not specified" means that a use is not specified in the statute.

**Miscellaneous Notes**

The following comments are provided to highlight information in individual tables and specific distribution issues.

**Table 1 — General  
Distribution of Fines and  
Forfeitures Under  
PC 1463.001**

Columns for arresting officer and jurisdiction are included because the information is needed to differentiate between a “county arrest” and a “city arrest” for distribution purposes.

All criminal fines and forfeitures (except parking) without a specific distribution in statute should be distributed pursuant to **PC 1463.001**. The **PC 1463.001** distribution is detailed in Table 1. Be advised that most violations without a specific distribution are not listed in these tables.

As stated in **PC 1463 (l)**, “total fine or forfeiture” for purposes of distribution under **PC 1463.001** includes “the total amount of bail forfeited or deposited as cash bail subject to forfeiture.”

The special distribution for bail increases, pursuant to **PC 1463.28**, applies to “city arrest” violations but does not apply to “county arrest” violations within the specified counties.

The Attorney General's Office has clarified that changes in **PC 1214** do not allow a county to charge interest on delinquent and/or unpaid fines. In *People v. Sutter Street Ry. Co (1900) 129 Cal. 545*, the Supreme Court held that interest was not allowed because the fine was for the purpose of punishment rather than for compensating for loss or damage. Furthermore, the absence of a specific distribution for interest indicates that the Legislature did not intend criminal judgments to bear interest (see restitution section below for further information).

**Table 2 — Special  
Distribution of Fines and  
Forfeitures Preceding  
PC 1463.001 Distribution**

This table includes specified portions of fines that are deposited for special purposes prior to distribution pursuant to **PC 1463.001**.

**PC 1203.1** requires that all fines collected by probation officers from defendants on formal probation be deposited into the county general fund, except for specified distributions. The specified distributions include, but are not limited to, **PC 1463.16** and **1463.18**, but not **PC 1463.14(a)**. Therefore, there is no requirement to deposit **PC 1463.14(a)** collections in the County Special Account on formal probation cases.

State and local penalties (**PC 1464** and **GC 76000**) and the 2% deposit for automation (**GC 68090.8**) apply to the fines in this table.

**Table 3 — Specific Fine and Forfeiture Distribution**

If a fine or a part of a fine is distributed pursuant to **PC 1463.001**, the detail of the distribution is shown in Table 1.

State and local penalties (**PC 1464** and **GC 76000**) and the 2% deposit for automation (**GC 68090.8**) apply to the fines in this table.

**Table 4 — Drug Violation and Domestic Violence Diversion Fine and Fee Distribution**

**H&S 11372.5** requires \$50 to be deposited in the criminalistics laboratory fund for each conviction under specified controlled substance violations, regardless of whether this fee was collected or not collected. The required deposit can be made from moneys deposited under **H&S 11502** prior to the monthly 75% - 25% distribution required by **H&S 11502**.

If **H&S 11502** moneys are insufficient to meet the required \$50 deposits, subsequently collected **H&S 11502** moneys can be applied to eliminate a prior month's deficiency. However, there is no authority for counties to offset any other monies due the State to subsidize the criminalistics laboratory fund.

Pursuant to *People v. Sierra* 1995 37 Cal. App. 4th 1690 and *People v. Sanchez* 1998 76 Cal. Reporter, 2<sup>nd</sup> Series 34, the "criminal laboratory analysis fee" (**H&S 11372.5**) and the "drug program fee" (**H&S 11372.7**) should be accounted for as fines subject to state penalties, local penalties, and the 2% automation fee.

**Table 5 — Restitution Distribution**

General adult restitution fines and orders have been consolidated into **PC 1202.4**, and general juvenile restitution fines and orders have been consolidated into **W&I 730.6**.

The state penalty (**PC 1464**) does not apply to restitution fines pursuant to **PC 1202.4**, as stated in **PC 1202.4(e)** and **W&I 730.6(f)**. However, the 2% deposit for automation (**GC 68090.8**) does apply to these restitution fines.

Interest is allowed on restitution orders at the rate of 10% per annum (**PC 1202.4(f)(3)(F)**), but not on restitution fines. However, a fee not to exceed 10% of the fine may be imposed to cover the actual administrative costs of collecting the fine (**PC 1202.4(l)**).

**Table 6 — Penalty, Additional Penalty, and Assessment Distribution**

The 2% deposit for automation (**GC 68090.8**) applies to the state penalty (**PC 1464**) and the local additional penalty (**GC 76000**) by statute.

The 70% distribution to the State, pursuant to **PC 1464**, includes 70% of the traumatic brain injury fine (**VC 27315**) but all of the 34% of the proof of correction fee (**VC 40611**).

<b>Table 6 (Continued)</b>	The civil assessment, fees, fines, penalties, and other moneys collected for the underlying offense are required to be prorated, pursuant to <b>PC 1462.5</b> . If the underlying offense has not been adjudicated, the bail amount can be collected voluntarily along with the <b>PC 1214.1</b> civil assessment.
<b>Table 7 — Fee Distribution</b>	<p>State and local penalties and the 2% deposit for automation do not apply to fees.</p> <p>In accordance with AB 233 (Chapter 850, Statutes of 1997), new fees pursuant to <b>GC 26832.1, 26833.1, 26835.1, 26836.1, 26837.1, 26850.1, 26851.1, 26852.1, 26853.1, and 26855.4</b> apply only to collections made by a trial court. These codes were increased to provide a partial distribution to the State Trial Court Trust Fund. The fees found in <b>GC 26832, 26833, 26835, 26836, 26837, 26850, 26851, 26852, 26853, and 26855</b> have not changed and refer to collections made by the county clerk outside of trial court functions.</p> <p>While the filing fees pursuant to <b>GC 26820.4, 26827, and 72055</b> were increased in AB 233, the filing fees pursuant to <b>GC 26826 and 72056</b> were not increased. These fees should be imposed at their current amounts (\$182 and \$80, respectively).</p> <p>Beginning July 1, 1998, when a defendant attends traffic violator school (<b>VC 42007</b>) on a city arrest, an amount equal to the amount of base fines that would have been deposited in the treasury of the appropriate city, pursuant to <b>PC 1463.001(3)(b)</b>, shall be deposited in the treasury of the appropriate city.</p> <p>The administrative assessments authorized by <b>VC 40508.6</b> should not be considered part of a traffic violator fee, pursuant to <b>VC 42007</b>. Therefore, the administrative assessments collected pursuant to <b>VC 40508.6</b> are not required to be distributed in accordance with <b>VC 42007</b>.</p> <p>The fine authorized by <b>VC 27360</b> for child restraint violations is not considered part of the traffic fee, pursuant to <b>VC 42007</b>. <b>VC 27360</b> fines should be allocated pursuant to this section.</p>
<b>Index — Code Section to Page Numbers</b>	An alphabetical listing of all code sections and a page number index is provided at the end of Appendix C.
